### **1. Purpose**

This BGR sets out the circumstances and conditions under which a vendor need not issue a tax invoice, credit or debit note.

### **2. Ruling**

The Commissioner, subject to the conditions listed below, directs under sections 20(7)(b) and 21(5)(b) that a tax invoice, credit or debit note need not be issued.

#### ***Approved conditions***

The Commissioner considers that it would be impractical to require that a tax invoice, credit or debit note be issued when the transactions in question consist of a number of progressive or periodic taxable supplies made by a registered vendor in accordance with a written contract for a supply of goods or services which provides for a regular payment of a determinable amount. This will apply in the following circumstances:

- Rental agreements for movable or immovable property
- Royalty agreements
- Short-term insurance

The Commissioner's direction in respect of the aforementioned transactions, is on condition that –

- (a) the recipient is in possession of the contract document which contains the following information:
  - (i) The names, addresses and VAT registration numbers of the supplier and recipient. The VAT registration number of the recipient will only be required if the recipient is a vendor. Furthermore, the name and VAT registration number of the recipient will not be required if the consideration for the supply does not exceed R5 000;
  - (ii) A description of the goods or services supplied; and
  - (iii) A statement that the supplies are charged with VAT at the applicable rate.
- (b) the supplier and recipient retains proof of payment of each amount paid where the relevant contract does not contain the consideration payable;
- (c) the contract mentioned above contains a statement that the contract complies with the Commissioner's direction under section 20(7) or 21(5), as the case may be; and
- (d) the abovementioned contract which includes the relevant particulars must be retained for a period contemplated in compliance with section 55 read with Part A of Chapter 4 of the Tax Administration Act No. 28 of 2011.

This ruling constitutes a BGR issued under section 89 of the Tax Administration Act.

### **3. Period for which this ruling is valid**
