The Service Provider shall comply with the Service Levels as of the Commencement Date.
- 25.1.2 The purpose of such Service Levels is to provide a framework against which the quality of the Services rendered to SARS can be measured.
- 25.1.3 Service level targets are set which targets must be achieved by the Service Provider in order to avoid termination on the basis of mal-performance.
- 25.1.4 Thresholds are set in the form of percentages, which will be used to determine whether or not a transgression of a Service Level has taken place.

25.2 MONITORING, MEASURING AND REPORTING

25.2.1 The Service Provider shall monitor its own performance of the Services provided to SARS under this tender. The Service Provider shall prepare a comprehensive report for SARS within 7 (seven) calendar days of being requested to do so by SARS, paying specific attention to reporting on but not limited to:

25.3.1.2 The service provider would have achieved such service level but for such factor;

25.3.1.3 The service provider used commercially reasonable efforts to perform and achieve that service level notwithstanding the presence and impact of such factor; and

25.3.1.4 The Service Provider is without fault in causing such factor, in which instance no service level failure will be recorded against the record of the Service Provider.
