Tenders submitted by a consortium or a special purpose vehicle constituted only for the purpose of responding to this RFP.

or any other consideration, that is contingent upon or results from, the award of any tender, contract, right or entitlement which is in any way related to procurement or the rendering of any services to a Government Entity;

7.7 Validity of information

SARS has made reasonable efforts to ensure the accuracy of the information contained in this RFP. However, neither SARS, nor its employees, officers, advisers or agents will be liable to the Bidder or any third party for any inaccuracy, the omission of any information in the RFP or in respect of any additional information SARS may provide to the Bidder as part of the RFP process.

The Bidder is deemed to have examined this RFP and any other information supplied by SARS to the Bidder and to have satisfied itself before submitting any of its responses as to the correctness and sufficiency of such information.

7.8 RFP not an offer

This RFP does not constitute an offer to do business with SARS, but merely serves as an invitation to Bidders to facilitate a requirements-based decision process.

Nothing in this RFP or any other communication made between SARS (including its officers, directors, employees, advisers and representatives) is a representation that SARS will offer, award or enter into a contract with the Bidder.

7.9 Preparation Costs

The Bidder will bear all its costs in preparing, submitting and presenting any response or Tender to this RFP and all other costs incurred by it throughout the RFP process. Furthermore, no statement in this RFP will be construed as placing SARS, its employees or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the Bidders in the preparation of their response to this RFP.

7.10 Conflict of Interest

If at any time the Bidder identifies an actual or potential conflict of interest, the bidder must immediately notify SARS in writing. SARS reserves the right to exclude the Tender submitted by such Bidder from further consideration, unless the Bidder is able to resolve the conflict. In addition, if it comes to SARS' knowledge that there was indeed a conflict of interest or a potential conflict of interest, same will be grounds for the immediate disqualification of the bidder

7.11 Indemnity

If a Bidder breaches the conditions of this RFP and, as a result of that breach, SARS incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the RFP process and/or enforcement of intellectual property rights or confidentiality obligations), then the Bidder indemnifies and holds SARS harmless from any and all such costs which SARS may incur and for any damages or losses SARS may suffer.

7.12 Responsibility for sub-contractors and Bidder's personnel

A Bidder is responsible for ensuring that its sub-contractors (if any), personnel (including officers, directors, employees, advisors and other representatives of a Bidder) and personnel of its sub-contractors comply with all terms and conditions of this RFP and in particular the provisions of paragraph 7.4.1.2 above. In the event that SARS allows a Bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the Bidder and SARS will not under any circumstances be liable for any losses or damages incurred by such sub-contractors.

7.13 Confidentiality

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this RFP or a Bidder's Tender(s) will be disclosed by any Bidder or other person not officially involved with SARS's examination and evaluation of a Tender.

No part of the RFP may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This RFP and any other documents supplied by SARS remain proprietary to SARS and must be promptly returned to SARS upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived therefrom.

Throughout this RFP process and thereafter, Bidders must secure SARS's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this RFP relates; or (ii) the process which follows this RFP. Failure to adhere to this requirement may result in disqualification from the RFP process and civil action.

After the Closing Date, no confidential information relating to the process of evaluating or adjudicating Tenders or appointing a Bidder will be disclosed to a Bidder or any other person not officially involved with such process.

7.14 Intellectual Property

SARS retains ownership of all Intellectual Property Rights in the tender information documents that form part of this RFP. Bidders will retain the Intellectual Property Rights in their tender responses, but grant SARS the right to make copies of, alter, modify or adapt their responses, or to do anything which in its sole discretion is necessary to do for reasons relating to the RFP process.

7.15 Limitation of Liability

A Bidder participates in this RFP process entirely at its own risk and cost. SARS shall not be liable to compensate a Bidder on any grounds whatsoever for any costs incurred or any damages suffered as a result of the Bidder's participation in this RFP process.

7.16 Tax Compliance

No tender shall be awarded to a Bidder who is not tax compliant. SARS reserves the right to withdraw an award made, or cancel a contract concluded with a successful Bidder in the event that it is established that such Bidder was in fact not tax compliant at the time of the award. SARS further reserves the right to cancel a contract with a successful Bidder in the event that such Bidder does not remain tax compliant for the full term of the contract.

No tender shall be awarded to a Bidder (or any of its members, directors, partners or trustees) whose names appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. SARS reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a Bidder has been blacklisted with National

Treasury by another government institution.

7.17 Screening and Vetting of Service Provider

Acceptance of this tender/quotation is subject to the condition that both the contracting firm and its personnel providing the service must be screened and cleared by the appropriate authorities to the grade of clearance in line to classified information, intelligence in the possession of SARS and areas designated as National Key points that they may have. Obtaining a positive recommendation is the responsibility of the contracting firm concerned. If the principal contractor appoints a subcontractor, the same provisions and measures will apply to the subcontractor.

7.18 Governing Law

South African law governs this RFP and the RFP response process. The Bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this RFP, the RFP itself and all processes associated with the RFP.
